

Charleston Sprint Triathlon Series Run Course Description

The run course is basically a two loop course. Runners begin on the road then move to the path about 3/4 around the loop. Runners continue on the path that runs between the Swim Start/Finish and Transition. Runners will remain on the path until 3/4 around the loop where they move back to the road. Continue on the road towards the main entrance to the park. The turn around is just before the main entrance. Runners then make two sharp right turns to the finish line.

First Loop:

Runners move from road to the path

Second Loop:

Runners move from the path back onto the road
