# Rediscover Johns Island County Park

## *‘Evening in the Park’ event to showcase new dog park and everything property has to offer*

(JOHNS ISLAND) – Bring your family, friends and Fido to Johns Island County Park from 5:30 - 7:30 p.m. on May 26 for an “Evening in The Park” full of fun to discover everything the park has to offer.

The brand new dog park will be open, drinks and ice cream will be for sale and live music will be playing throughout the night. Archery instruction and a portable disc golf basket will also be available for people to try out the offerings at the park.

If the scenery and wildlife are more your style, take a walk on the park trails or lay down a blanket under the oak trees draped with Spanish moss. One of our expert natural history interpreters will also be on hand to answer questions guests might have about the park or wildlife in the area.

The new ADA-accessible dog park features separated areas for both small and large dogs as well as a wash-off and covered area for cooling down while your furry friends run and play.

Admission to the event will be free and there will be no fee for any of the activities offered. The safety of guests remains our priority and our staff and volunteers will all be wearing proper PPE.

Please wear a mask when interacting with staff and volunteers. Restrooms and hand sanitizer will be available at the event.

Outside alcohol is prohibited and an ID is required to purchase alcohol. This is a family-friendly event with social distancing so please be mindful and courteous of your neighbors. Dogs must remain leashed at all times when not in the dog park.
