Palmetto Islands County Park hosting popular Fairy House Festival in January

The tiniest building project ever!

[MOUNT PLEASANT, SC] – Charleston County Parks is pleased to bring the Fairy House Festival back to Mount Pleasant Palmetto Islands County Park in January! Called the greatest, tiniest building project ever, the Fairy House Festival will be held on Saturday, Jan. 22 from 10 a.m. – 2 p.m. Advance registration is required.

“Fairy houses” are made from non-living, natural items such as twigs and leaves, and the fairies and gnomes of Palmetto Island County Park need help to build new abodes this winter.

Kids of all ages are invited to this festive event to build their very own fairy house while discovering nature and creative expression in a family-friendly festival atmosphere. Highlights include the chance to build a fairy house, story time with the Charleston County Public Library, face painting, a climbing wall, and a kids’ nature craft. Food truck fare from Wich Cream and Weltons Fine Foods will be available for purchase on site.

Attendees will also have the opportunity to meet and take photos with Tinkerbell! Children are encouraged to come dressed as a fairy or gnome for extra fun.

Advance registration is required and will be limited. On-site registration will not be available. A chaperone is required to remain on site with children. All family members must register in order to attend the festival. Registration is \$5 per person and is available at CharlestonCountyParks.com ([direct link](#)). Food and face painting will be an additional cost.

For more information on the Fairy House Festival or to sign up for a building plot at the festival, call 843-795-4386 or visit CharlestonCountyParks.com.

Owned and managed by the Charleston County Park and Recreation Commission (CCPRC), Palmetto Islands County Park is located at 444 Needlerush Parkway in Mount Pleasant. The mission of CCPRC is to improve the quality of life in Charleston County by offering a diverse system of park facilities, programs and services. The large park system features over 11,000 acres of property and includes six land parks, three beach parks, three dog parks, a historic plantation site, two landmark fishing piers, three waterparks, 19 boat landings, a climbing wall, a challenge course, an interpretive center, an equestrian center, cottages, a campground, a marina, as well as wedding, meeting and event facilities. The park system also offers a wide variety of recreational services - festivals, camps, classes, programs, and more.
